This is something that should have been added a long time ago. Honestly, kicking out + banning people from private servers should be a standalone option, instead of having to block that

Hello Developers, Pet Simulator 99 is out and I decided to purchase a private server for my "clan" in-game. After purchasing the server for 400 Robux I was able to invite those who have

I am looking for a way to kick someone with a ban gui after the ban button has been clicked by an admin. I am using the messaging service atm, but I am having issues getting it to kick

!psKick - Kick player from session !psBan - Bans player from session !psUnban - Unbans player from session !psPerms - Give another player the commands above !removePsPerms - Remove another

I kicked someone from a private ROBLOX server as a joke, not knowing it wouldn't let them rejoin. I wish to unkick that person from my private ROBLOX server, but I don't know if it's possible. If a...

Hey Developers, The time has come. Our new feature, designed to empower private server owners, is officially live. This feature provides owners with the capability to evict unwanted players

Somehow people got around the server password and is griefing us. How does my friend kick them?

So, I am trying to add a button to my game that only VIP server owners can use. For example, if you own a VIP server on Jailbreak, you can click a button to kick any player in the server.

How to kick/ban players from a private server? Hi! I have a private dedicated server which I have had a lot of bad ppl joining. I've tried a lot of ways to kick/ban these but I haven't succeeded and now I
