Hello What is the meaning of "be a pale shadow of your former self"? I saw that in longman dictionary. I found a meaning of that in this thread; but I have doubt about that meaning in

Hi, I know we can say deathly pale, but can we also say deadly pale? like "When he heard the news, his face went deadly pale." Thanks a lot.

Boredom is the ordinary English word for it. Ennui is probably unknown to at least 90% of English-speakers, and those who do suffer from it are probably in a cafe somewhere, smoking

Instead of answering he turned away, his face angry and set. He belted his robe around him at the door, opened it, and stepped out into the dark hall. Source: The Shining by Stephen King

In the movie The Lighthouse (2019), Willem Dafoe's character said this when making a toast: "Should pale death, with treble dread, make the ocean caves our bed, God who hears the

i've always wondered if there was a very fine semantic (or etymological) difference between the various ways of saying goodbye to somebody. specifically "farewell" and "goodbye" And how are

Hello, my friends, I was wondering whether we could say all of them to someone when there are something wrong with them: A: You look pale, what's wrong/what's the matter/what's the

Hello In the following text, does the word "barely" mean "only"? I think the bold clause means "It has only a small amount of its past influence". "While [the planning school of thought] grew

Pale eyes means eyes of a light (not dark) color. The intensity of the color is low. I don't see it as negative. Good writers include lots of descriptive words, even though those descriptions may

what are the comparative form of these adjectives: orange, pink, blue, white, red, yellow, purple, blue, green, black, etc. Are there any rules for the comparative form of these color-adjectives?
